CHAIRMANS CHAT!

As I write this the final competition has been run and the season has now ended. We still have 2 Clinics, **Sarah Perry** Poles and Grids (this is full) and a new clinic with a club favourite **Douglas Hibbert** who has kindly offered us the use of his facilities at his farm (see details in newsletter regarding date and information).

The AGM this year for obvious reasons will not be taking place in the Village Hall so sadly we will not be partaking in Catherine's legendary mince pies, in the newsletter there is information on how this is going to be run this year. Please take time to read and complete the paperwork and return to us where appropriate. As we have said many times before this is your chance to have your say in shaping the Clubs future. Also if anyone is wanting to join the Committee please let me know or even if you are just interested in helping with running a particular discipline – we could really do with some help on the Show Jumping front. There will only be 3 trophies awarded this year which relate to the sponsored ride and the Chairman's Merit Cup. Any points earned during 2020 will be carried forward into 2021 when hopefully we will be able to have an AGM in some shape or form so if you were awarded a cup at the 2019 AGM please keep it safe and sound until next year.

One thing for certain is that Covid is going to be with us well into 2021 which presents ongoing challenges for the Club. We know our revenue will be reduced but we still have to cover the Clubs overheads. To that end if you currently have your newsletter posted could we send it to you by email in the future - the cost of postage has increased steeply over the last couple of years and the benefit would be that you would receive the newsletter much quicker than "snail mail". potentially this could save the Club up to £200 a year! Please let Diana know your email address so that we can send it to you electronically.

I would like to extend my thanks to you all for your fantastic support during 2020 and I look forward to seeing you at one of the Clubs events during 2021.

Regards all and stay safe.

Ali

FESTIVE PHOTO SHOW

RUNNING 1st – 28th December 2020

As you will remember I ran on our Facebook Page a couple of photo shows in which we raised money for charity. We have decided to run a festive one to raise money for the club. Due to only being able to run a small number of events and allowing all membership to run to the end of 2021 our funds are not as good as they often are at this time of year. Classes are as follows.....

Entries £5 per class or 3 classes for £12. Payment via my paypal account
sharron.camp@montybear.co.uk

Class 1. Fancy Dress. This is both horse and rider/handler and can be anything so if you have pictures from past years you can enter them.

Class 2. Festive Equines . Horses looking festive or decorated stables with horse looking over the door.

Class 3. Winter weather. You and your horse riding in rain/snow or just a grey winter's day. Need to be able to see it is clearly winter.

Class 4. Braving the elements unrugged equines that live out, looking for them obviously wet or in the snow.

Class 5. All wrapped up. Equines either wrapped in outdoor or stable rugs.

Class 6. Festive pets. Any pet that is not equine looking festive or in a festive scene for example cats playing with decorations!

There will be a Champion and Reserve with a Christmas themed prize for each.
(One of Sharron's legendary Cushions pictured as an example!)

Thank you to all who took part. After the rain earlier in the week we had sunshine although a chilly breeze.

Lots of lovely hairy horses and ponies took part and their owners entered into the spirit of the day.

Thank you to Vanessa who judged our classes and to Liz who stewarded for her. It has been an interesting year so was lovely for me to end the season on a happy day. Sharron.

GYMKHANA 18.10.20

What a lovely way to finish the season with another of Nessa's gymkhanas. Full of fun and laughter, and games that were all Covid-19 aware!!

Lots of children, including several 'littlies' on the lead rein having their first taste of games on horseback. The adults were not as plentiful as the last time, but more than enough to make good competition, including some who hadn't been out competing for some time.

The Chase me Charlie which ended the session reached a height of 3'6 with Hayley Stansfield riding her own Moysie

Roll on next year with more of these fun times with Nessa.

DRESSAGE OVERVIEW

“The Club Dressage finally started in August with a Test Training day with Douglas Hibbert.

Thank you to you all who supported this event, and I gained great satisfaction as an onlooker watching the considerable improvement of both horse and rider which was a magical experience.

September was another Training day with Mel Norris, again it was a most enjoyable for me personally to see how well all horses and riders performed under the excellent guidance and tuition of Mel.

We followed this with a Grand Finale Dressage. We were most fortunate to secure the services of internationally acclaimed Dressage rider Jenny Loriston-Clark, ably assisted by her husband as writer.

This was a most enjoyable and jolly day for participants, who all performed to a good standard. Many thanks to Lorraine Fry who was in attendance throughout by computing the scores, and taking lovely photographs of each horse/ rider combination. Catherine again very kindly provided excellent sandwiches. Such splendid nourishment was much appreciated by Jenny, who said how much she enjoyed the day, notwithstanding our strict adherence to Covid regulations!

Following the above event's we still have a further training day with Douglas on 22 November at Bonfire Hill Farm Alderholt. Douglas has offered his premises as the Venue which will save the Club School hiring charges. Accordingly the Club is subsidising these lessons with Douglas by £5 per session, since we hope our committed Dressage riders will seize the opportunity to progress and enhance their grades. *(THIS EVENT HAS BEEN CANCELLED DUE TO COVID RESTRICTIONS)*

Mel Norris also thanked me for the most enjoyable day she had with you all, and would love to come again to teach when next invited by us. “

MEMBERS IN HAND AND RIDDEN SHOW 27.9.20

Having been asked by many members, after the show in August, if we would run another show before the end of the season, we decided to go ahead with another one.

A bit more difficult this time as there were now lots of other events being run, but thank you to all who came, we had a very successful happy show. Our judges Helen Nelmes, Barbie Hooper, and Willow Tarrant were full of praise for the members and offered lots of helpful advice. Thanks also go to Claire Mowlam and Marion Tarrant who helped to keep the show running smoothly throughout the day.

Hopefully we shall be back to run the Members Show in the Spring, and start our season of shows for the Riding Club. We look forward to seeing you next year. Sarah and Catherine

SPONSORED RIDE 4.10.20

The days leading up to the big day were beautiful, with blue sky and plenty of sunshine and just a little hint of autumn in the air.

Come the weekend of the ride and all changed, with high winds and lots of rain. Taking this into account, about 50 intrepid riders set out, all returning and saying that they had all enjoyed themselves ridding through the beautiful countryside.

Grateful thanks must go to Mr Rowe of Manor Farm at Gussage for kindly allowing us to use his facilities, and also to the Trail Riders for marking the route on Saturday and checking all was in order and collecting the Markers on Sunday. Without these people the ride could not be held.

Thank you also to everyone who helped on the day, Jim on the car park, Catherine for doing the catering, Sarah and Carol taking the care of the admin on the day, and everybody marshalling the road crossings and everyone else who helped who I may have forgotten to mention.

With everybody's efforts and generosity we have been able to give this year's charity, Going for Bust, a donation of £2,077.05. Well done everybody.

ANNUAL GENERAL MEETING

30th November 2020

Due to the ongoing Covid-19 restrictions, this year's AGM will be run as a virtual meeting. Very different from previous years but it will at least mean that we can continue to run the Club according to our rules.

There will be no presentation of awards and trophies, but all the points gained at events that have been held at the end of 2020, will be carried forward to the 2021 season, which we hope will be as full as we can make it. The only exceptions will be for the Sponsored Ride, most sponsorship gained and the runner up, and the Chairman's members award.

HOW TO TAKE PART IN THE VIRTUAL AGM.

When you receive this newsletter, you will see there is a form attached for you to fill in and return to us either by post or email to the club email address.

*This needs to be returned by **22nd November 2020** so we know who will be "attending". Once we have gathered all the names, then the report of the virtual AGM will be forwarded to all those who have shown an interest in taking part. You should receive this by Monday 30th November.*

MEMBERS ENJOYING THE CLUB!

Once you have read the virtual meeting report, you will be asked to vote on certain items, as would be done at the actual AGM. In the case of proposing and seconding, then the first and second responses will be taken as this.

Any comments that you may wish to make on any of the points will be gratefully received and considered.

In the case of Any Other Business, any suggestions and ideas will be welcomed. We need your input into the Club, and how we take it into the future, especially 2021, with this pandemic still probably affecting the way we can run events safely and following social distancing guidelines.

Once you have completed the forms, please either email to sarahhislam7@gmail.com or post to **Sarah Hislam, 48 Queens Park West Drive, Bournemouth BH8 9DD** to arrive no later than **Saturday 5th December**. Once we have had a chance to collate all the responses, and take them back to the Committee, we will then publish the AGM report to all current members of the Club.

If you have any questions regarding the running of the virtual AGM then please contact Sarah Hislam, for clarification.
